COMMUNITY GRANTS PROGRAM

The Burns Support Foundation would like to acknowledge the generous support of the Clipsal Community Grants Program in providing vital funding for September's "Camp Corroboree".

A generous contribution of \$20,000 has been made to support the great work of the Burns Support Foundation in facilitating this camp and providing much needed support to burn survivors and their extended families.

\$10,000 was awarded through a Clipsal Community Grant, an initiative of Clipsal by Schneider Electric and the Julian Burton Burns Trust where 50 cents from every Clipsal smoke alarm sold across Australia is donated to the Julian Burton Burns Trust to provide funding for burns prevention, care and support projects.

On top of this Clipsal by Schneider Electric has pledged an additional \$10,000 to ensure the camp is filled with fun and interactive activities for the whole family.

We are extremely grateful to Clipsal by Schneider Electric and the Julian Burton Burns Trust's support in partnering with the Burns Support Foundation.

A Heartfelt Thanks!

We are incredibly grateful for the generous donation that June has given to the BSF which has enabled us to have our Winter Camp.

Her support has been invaluable in helping us to continue helping others. Through these donations we are able to substantially subsidise the family camps which we run for burns survivors and their families.

Thank you!
