

### NOTE TO ALL

We hope that everyone enjoyed a safe and happy Christmas with their families and friends. On behalf of the BSF we would like to wish everyone a happy and hopefully exciting New Year!

We need to thank Day of Difference for their financial support of our camps. Unfortunately we have been advised that Day of Difference has made the decision to focus on their new venture which is to fund Family Support Worker positions in paediatric hospitals. This is a commendable and innovative position. Unfortunately however without their support the cost of the camps must increase for families. The BSF will continue to subsidise our camps as we always have but we do not have the resources to pick up the difference.

Until we find an alternative major sponsor any support via donations (big or small) as well as raffle prizes and the sale of raffle tickets will be very much appreciated and will be directed to reducing the cost of the camps to families. We would like to emphasise that all BSF committee member positions are voluntary and receive no payment so ALL donated monies is used only for the benefit of the families of burn survivors.

The Central Coast Burns Survivor Support Group (CCBSSG) coordinated by Keith King attended a BSF meeting in October and requested that we pass on his details to families in the local area who might be interested in attending their meetings. We look forward to seeing all our regular campers in May and look forward to welcoming new families!
