BSF Banner donated by ICAP

As shared in our last newsletter the BSF were incredibly fortunate to have been selected as one of the recipients for the global ICAP fundraising day late last year.

The event was a huge success and ICAP generously offered to donate a fantastic pull-up banner (left) which was created and produced in conjunction with Sign-a-rama.

We are so proud to place this banner up at both our Winter and Summer family camps and have already received lots of complimentary feedback from our camp attendees. We also intend to have the banner at every upcoming fundraising event that we hold moving forward.

We feel this new addition provides us with another level of professionalism and credibility for our charity.

Again, the BSF is very appreciative and would like to thank ICAP for reaching out and supporting our foundation.

Do you remember me?

My name is Zinta and this year marks 20 years for me as a burns survivor. In October, I will be volunteering at the BSF camp; I loved making new friends, the activities and even the camp food! If you feel the same as me, please come along - it would be so much fun to meet up again and help out. I can't wait to give back to this amazing cause that has supported myself and so many others.

I am also interested in organising a 'reunion' for us ex-campers (i.e. anyone who attended the camps run by the Children's Hospital); If you are interested too, please let me know via email at zintabruz@gmail.com or look me up on facebook – I look forward to hearing from you!

Cheri and Sandra want to hear from you too...

Did you have fun attending the BSF Camps or the Children's Hospital camps? Why not shoot them an email and say hello! There's nothing like catching up with people who care. Sandra and Cheri are the heart and soul of the Burns Support Foundation and have personally invested themselves for the survivor community and their families. Winter Camp Fun

This year's Winter Family camp was a great weekend away. With so much rain leading up to the camp, we thought we would be washed out but thankfully, it cleared to be perfect the whole 2 days. Below are some pics of all the fun that was had!

Camp Stories 2013 — What I liked about the Camp is...

At first I liked goat cart racing and saw a 1, making friends going almost what I am going through. ~~And~~ I liked the giant swing and the food. And the movie.
It was very fun and I saw. I want to come back again.

The cluster climbing activity, and I liked painting and ball games in the morning. playing the kite game. I liked how the big kids helped me. I liked making New Friends. my New Friends Names are Liam, Sam, Oskar and Taz.
Burns camp made me feel happy. I didn't like the chicken wrap because it looked yuck and smelt like poo. and I liked that I could play with my New friends. I would like to come back again.

I like the activities and the people. Also when we come its always happy faces and good food. I am very excited for the new 30 metre giant swing.
